

Warrior J-V Rolls Over George Mason

Wakefield's Junior Varsity eleven yesterday broke into the win column with a 13-0 shutout over the George Mason High School Jayvees to make amends for last Wednesday's opening game loss to the George Washington High School Junior Varsity.

Woody Wood raced 90 yards in a first quarter end sweep for the initial touchdown. Tom Head then ran the ball over for the extra point giving the Junior Warriors an early 7-0 lead.

A 55 yard drive in the second quarter was later climaxed by Donny Cox going off tackle from four yards out for the second score. The try for extra point was stopped at the line of scrimmage leaving the Warrior Jayvees with a 13-0 decision.

One other touchdown, by Dick Gerbich in the fourth quarter from 10 yards out, was called back on account of a penalty for illegal use of hands. Coach Vic Blue afterwards commented that his squad had played "much better than last week against the George Washington Jayvees."

Wakefield Has Come Long Way

Wakefield High School with nine wins and only three losses to date midway in its second season of scholastic football competition, tomorrow afternoon at 2 o'clock will be a strong favorite to up its impressive average even higher. Playing against Garfield High School from Occoquan, the Warriors will

be meeting a brand new opponent.

Head coach Dick Johnson, the former University of Virginia lineman, along with a fellow teammate, Walt Schulte, as his assistant line coach, has now seemingly started people talking about what to do about Wakefield, whereas undertones expressing lack of confidence were once heard.

Bill Edmondson, the Warriors' backfield coach who played his collegiate football at both Marshall College and Emory and Henry College, also has in common with Schulte the added experience of at one time having been the head football coach at Fairfax High School.

Together the trio operates out on a dusty physical education field behind the school buildings every afternoon in a combined effort to improve the potential talents available. Only a few of the prospects reporting for practice last season, had had any experience whatever. Some had played on a Junior High School team, but otherwise the wrong habits picked up in sandlot ball, and the rank inexperience in general had to be met.

Johnson, Edmondson, and now Schulte have applied the necessary touch since Wakefield opened up its gridiron just a little more than a year ago. All the Wakefield coaches have pointed out that what now seems to have jelled into a successful beginning, is also the result of cooperation with the parents of the Warrior players and the boys themselves.
